tachment of the Austrian was sent from  
Potschepa by the railway to reinforce  
General Urban. The engineer, by accident or  
design, brought the train on to the quarters of  
the French army. The soldiers of the latter opened the doors, crying out, "Gen-  
tlemen, change carriages here for France," re-  
spectfully saluted. Willing to fulfil their de-  
sire, we sent the train to Paris.
